

Hog Roast Menu

WWW.MAKEITPERFECT.CO.UK

Hog Roasts have become a popular way of catering for both large and small events including corporate hospitality days, weddings, fetes, school picnics and outdoor parties. For weddings, they provide an alternative to the traditional sit-down menu.

Despite being a more informal way of feeding a crowd we still supply a selection of sides and tasty accompaniments, plus trained serving staff and on-site chefs.

We also offer delicious menus for a wide range of tastes including special dietary requirements, suitable for Dairy Intolerance, Halal, Vegetarian, Vegan and Celiac.

Alternatively, you can hire the hog roast machine. More details are available on our hire page.

All our pigs are locally reared. We offer an organic option for an extra £1 per person.

Please note that all the above packages are to give you an example of what we can offer. We will be happy to design something specifically to meet your needs, if none of our packages are suitable.

In relation to the salad bar and dessert options - again, these options will be designed in collaboration with you.

Please note that any amendments to the above may result in price alterations, based on produce cost for example - we will always clearly communicate this, if this is the case.
